[www.drkelleyenzymes.com](http://www.drkelleyenzymes.com)

# Kelley Cancer Elimination Process

- Generally, less time is needed when you carefully follow the lifestyle suggestions in...
- Dr. Kelley's "One Answer to Cancer" book and...
- The supplemental instructions contained in Dr. Kelley's "Metabolic Self Test" book.

# Kelley Cancer Elimination Process

- If you are unable to function on 72 enzyme capsules per day (they cause a cancer patient to feel sick due to the cancer material being dissolved), take as many as you can and allow the process to take longer.

(c) 2008 - 2013 Dale Maxwell

[www.drkelleyenzymes.com](http://www.drkelleyenzymes.com)

# Max 25 Day Cycle

- Take a Five-Day Break from Enzymes...
- Continue Enemas and Detox

(c) 2008 - 2013 Dale Maxwell

[www.drkelleyenzymes.com](http://www.drkelleyenzymes.com)

# Repeat Enzyme Cycle

- Continue Enemas

# Enzymes = Die-off

- Thank you Dale! I started on Sunday and felt absolutely horrible first I felt bloated and needs to go to the bathroom and then almost like I got a flu my throat got sore. And super tired. I didn't feel this bad in days and also I'm not sure if it has something to do with the enzymes since I just took it for the first time.
